

INTERNATIONAL SYMPOSIUM ON GNSS 2018

21-23 November 2018, Bali, Indonesia

CALL FOR PAPERS

Toward Best Integration Of Global Navigation Satellite System And It's Application

ISGNSS is an annual open forum for international researchers and practitioners, to discuss most recent technologies and applications, to exchange innovative ideas and experiences, and to promote future research opportunities in the fields related to Global Navigation Satellite Systems. Topic of interest include, but are not limited to:

GNSS today and
future

Atmosphere,
Climate, and
Weather

Geodynamics
and Natural
Hazard

Indoor and Urban
Navigation

Positioning
technologies and
Applications

Authors are invited to submit papers describing original, previously unpublished work, not currently under review by another conference, workshop, or a journal. Full papers should present novel perspectives within the general scope of the conference. Poster presentation is an opportunity to present preliminary or interim results. Selected full papers and posters will be published in **E3S Web of Conference Proceeding** and **Journal of Aeronautics, astronautics and aviation**. All paper must include title, complete contact information for all authors, abstract and keywords on the cover page. Detailed submission instruction are available at the conference website. You can mail to program@isgnss2018.com if you have any inquiry.
